

The 3rd International Conference on Sustainable Engineering, Infrastructure, and Development (ICO-SEID 2026)

November 11-12, 2026 · Jakarta, Indonesia (Hybrid)

Welcome to the 3rd ICO-SEID

Theme: *Engineering Innovation for Energy Transition, Climate Resilience, and Sustainable Development*

Dear Authors,

Welcome to the 3rd International Conference on Sustainable Engineering, Infrastructure, and Development (ICO-SEID 2026), hosted by the Faculty of Industrial Technology and the Faculty of Infrastructure Planning, Universitas Pertamina, Indonesia. Held in Jakarta on November 11-12, 2026, the conference brings together academics, industry professionals, and policymakers to exchange ideas and advancements in sustainable engineering, infrastructure, and development. The theme of ICO-SEID 2026 is: "Engineering Innovation for Energy Transition, Climate Resilience, and Sustainable Development."

Publication Opportunity

Selected papers accepted through the peer-review process will be considered for publication in the **IOP Conference Series: Earth and Environmental Science (EES)** (subject to publisher approval and conference publication requirements).

Submission and Review Process

The submission and review process for ICO-SEID 2026 consists of two stages: conference review and publication review.

Stage 1: Conference Submission and Review

Authors must first submit their abstracts through the ICO-SEID 2026 Conference Management System hosted by Universitas Pertamina at:

<https://cmt3.research.microsoft.com/ICOSEID2026/Submission/Index>

The conference review process includes:

1. Abstract Submission
2. Abstract Screening and Review
3. Revision (if required)
4. Abstract & Conference Acceptance Notification

Stage 2: Publication Submission

Authors must submit their full papers through the publisher's submission platform (Morressier).

The publication process includes:

1. Full Paper Submission to Morressier (**Deadline for First Review: 27 November 2026**).
2. Full Paper Evaluation and Format Compliance Check
3. Camera-Ready Paper Preparation

4. Editorial and Publication Review
5. Revision (if required)
6. Final Acceptance for Publication
7. Estimated Publication: April 2027

At this stage, manuscripts may undergo additional editorial assessment, technical checks, and publication review in accordance with the requirements of the conference proceedings publisher.

Please note that acceptance at the conference level does not automatically guarantee publication. Final publication decisions remain subject to the publisher's editorial policies, quality standards, and scope requirements.

Full Paper Preparation

Authors must prepare manuscripts using the official IOP Conference Series template.

Please download the template from:

<https://publishingsupport.iopscience.iop.org/questions/templates-and-guidelines-for-proceedings-papers/>

Please select the Microsoft Word template when preparing your manuscript.

General Paper Format

- Paper size: A4.
- Margins: 4 cm (top), 2.5 cm (left and right), and 2.7 cm (bottom).
- Text must be single-spaced.
- Pages must be in portrait orientation.
- No page numbers, headers, or footers.
- Figures and tables must be embedded within the text.
- Tables must remain editable and not be submitted as image files.
- Equations, figures, and tables must be numbered sequentially.
- References must be complete, accurate, and cited consistently within the text.

Full Paper Requirements

- The manuscript must include title, author(s), affiliation(s), and abstract.
- The language of submission is English.
- Authors are responsible for ensuring grammatical accuracy and clarity of presentation.
- All submissions must be original and must not have been published elsewhere.
- Authors must also prepare an anonymized version of the manuscript for double-blind review.

PDF Submission Requirements

Before submission, authors must convert the manuscript into PDF format.

The PDF file must:

- Be editable and not password-protected.
- Be free from formatting errors.
- Contain legible figures and tables.
- Be smaller than 10 MB.
- Contain no blank pages.

Author Policy

- ***An author may submit a maximum of two papers***, including co-authored papers.
- Submission of a manuscript implies that all authors agree to the conference publication policies.
- Authors are responsible for the accuracy of all content, references, figures, and tables submitted.

Important Notice

Only papers that successfully pass the abstract evaluation and full-paper peer-review process conducted by ICO-SEID 2026 will be eligible for publication consideration.

Acceptance for conference presentation does not automatically guarantee publication. Final publication decisions remain subject to editorial evaluation, publisher requirements, and the scope and quality standards of the selected proceedings outlet.
